You can play through the entirety of A Realm Reborn and the award-winning Heavensward expansion up to level 60 for free with no restrictions on playtime! It's an ongoing joke within the community, but it's absolutely true. Just click the big "Start Your Free Trial" button. Can I gift subscriptions while the streamer is offline? No, the streamer must be live and streaming FINAL FANTASY XIV Online. Where will I receive my code? The code will be sent to your notifications inbox within Twitch. Do I need to have an existing Square Enix account to receive the code? No, this campaign is open to all users on Twitch, regardless of their FINAL FANTASY XIV Online subscription status. The first step in the initial process is to go to the Free Trial starting page. Subscriptions renew automatically on the same time period you originally paid for: buy 90 days of game time and it'll renew every 90 days. FFXIV's newest expansion, "Endwalker", is out now. 710k players bidding on houses. 5.8k actually winning houses. Be civil and respectful, no name shaming. You can gift across any of the creators one at a time, or in any amount. You will be able to purchase a license for any platform you choose later, but you're stuck while in the trial period. So long as you're subscribed and logged into the right account, of course. Your preferences are configured to warn you about this kind of mature content. You can purchase a PC or Mac digital copy on the Square Enix Online Store, Mac App Store, Amazon, or Steam. Once you've purchased the game from any of these stores, you will need to find the registration code. For the PlayStation 4 and PlayStation 5, you'll load up the client and then link your Square Enix account with your PlayStation account. Once again, this only registers that specific version of the game. Further details on the list of participating creators can be found on the FINAL FANTASY XIV Online Lodestone. You can spread these gifted subscriptions across channels or focus target on one broadcaster — as long as you gift four total subscriptions across the participating channels, you will receive your reward. Now it's time to buy a copy of the game! You can purchase a boxed copy for PC and PS4 in a number of retail stores, or you can buy the game digitally. You can split the gifts across different streamers as long as they are on the list of participating streamers and they are currently streaming FINAL FANTASY XIV Online. Can the subscription gifts be tier 1? Yes! There's no requirement on the level of gifting. What if I subscribe to the streamer, or I am currently subscribed to them? Current or new subscriptions do not count towards the campaign. Over 400,000 Warriors of Light came together on Twitch to celebrate on the first day of the Fan Festival alone. Select "Enter Item Code," then follow the on-screen instructions to redeem your code. Just like in the image above! The main page of the Mog Station once you've signed in. When you've downloaded and installed the game, it's time to sign in. Another strange issue is that some platforms require you to download the free trial as a separate client. Then on the next page, enter the registration code you received from one of the previous methods. To add or modify your subscription, you need to sign into the Mog Station. Why? I gifted the subscriptions while the streamer was streaming Final Fantasy XIV Online, but I still haven't received my codes. Monthly is the only option for an Entry subscription. Select the "Your Account" menu from the top of the screen. So where you begin is important. You should also know that once you've switched a trial account over to paid subscription, you cannot go back to a trial account, even if you're still within the stated content boundaries. If you start the trial on PlayStation 4, you can't switch over to PC or Mac and continue playing. For PS4/PS5 users, you don't have to worry about any of this. If they still haven't appeared, please contact Twitch Support. However, it doesn't really have "cross-buy." If you purchase the game on PlayStation, then want to play on PC, you have to buy a PC or Steam copy and register that to your account. Upon reaching each milestone, you will receive a notification on Twitch with a code to redeem the item! The participating creators are around the world, giving you the most opportunities to discover a community in your region. For the PC and Mac versions, you'll sign in with your Square Enix account. You want to select "Credit Card/Crysta Payment." On the next screen, you can choose between the Standard and Entry subscription types, your subscription period, and add your payment method. For Amazon, you'll find your code under your Amazon Account, "Digital content and devices," and then "Digital Games and software." In Steam, you'll want to find Final Fantasy XIV in your games library, click the cog icon, select "Manage," and then select "CD keys." Regardless of your method, you'll want to sign into the Mog Station: a fancy term for the FFXIV webpage where you manage your account and purchases. "Have you tried the critically acclaimed MMORPG FFXIV? Please see the FINAL FANTASY XIV Online Lodestone for further details. Some retailers can also include a copy of the code on a printed receipt. Then you will need to sign in with an existing Square Enix account or create a new one. If you have multiple service accounts (represented as tabs), please select the service account you wish to redeem your code on. For the fourth gift subscription, you will receive the coveted Fat Black Chocobo mount. May you ever walk in the light of the Crystal. With the Entry subscription (\$12.99 per month), you can make one character per world, and up to eight characters in total. We don't really know! But as long as you pick the version that's most convenient for you it shouldn't be too much of an issue. How To Subscribe to Final Fantasy XIV Once you register your purchased game, you'll get 30 days of playtime. These cards offer 60 days of game time for \$29.99. (PlayStation Plus is not required in order to play FFXIV!) Then you can enjoy the Free Trial in all its majesty! How to Purchase Final Fantasy XIV Ready to jump into everything FFXIV has to offer? There's also Steam — which you simply get from the Steam storefront. Click the big "Add New Service Account" button. This, too, counts as a totally separate version of the game from the Square Enix store version. Easy. So if you play until level 40 and then pay the subscription for a month, you cannot jump back to a trial account. This will apply the code to your account, permanently registering that specific platform to your Square Enix account. You can pay monthly, or purchase months in bulk for a discount: 90 days for \$41.97 or 180 days for \$77.94. So when you take the plunge, it's all in. Signing Up For the Free Trial Perhaps you've heard the meme. A community for fans of the critically acclaimed MMORPG Final Fantasy XIV, which includes a free trial that includes the entirety of "A Realm Reborn" AND the award-winning "Heavensward" expansion up to level 60 with no restrictions on playtime. This is free if you already own the PlayStation 4 version. The campaign runs from Thursday, June 24 at 11:00am PDT to Tuesday, August 24 at 11:00am PDT. Once your account is created, you'll be given a link to download the game on your platform on choice. Where do I go to redeem my code? You will need to redeem the code on the Mog Station outside of Twitch. If you're looking to try the game, it's a great place to start. A few restrictions apply to trial accounts: One Free Trial account per Square Enix account. You can create up to eight characters, with one character per server world. The maximum level cap is level 60 (just to reiterate) You can have a maximum of 300,000 gil, the basic in-game currency. You can't trade with other players. No ranked PvP and you cannot join a Free Company (FFXIV's version of guilds). There are less obvious caveats, though. You can also purchase game time cards from retail stores or online retail, including Amazon, GameStop, NewEgg, or the Square Enix Online Store. For the Square Enix Online store, you'll get a confirmation email with a link to your registration code. Hello to all Warriors of Light on Twitch! We recently celebrated the announcement of the Endwalker expansion together in-game and on Twitch. You'll keep all your progress if you sign in using the same account. The Mog Station includes a table of all versions and expansions you own on a particular account. The one major exception is a PlayStation 5 upgrade. (If purchased digitally, the code should be sent to you.) Time for game cards will not automatically renew, so you need to keep it topped off with a new card to keep playing. Here's hoping that lets you settle into Eorzea with as little hassle as possible! It's a straightforward process if you don't try to get too fancy (and a real pain if you do). In order to jump on this opportunity, you will need to gift four Twitch subscriptions within the channels of the participating creators while they are streaming FINAL FANTASY XIV Online. Whichever platform you begin your trial account on, you're locked into that until you spend money. Upon signing into your Square Enix account, you'll be greeted with the Account Services page. It also doesn't apply to the PlayStation 5 or Mac versions. The game has full cross-save across all versions! It's just an extra odd hurdle. When you load up the game on console and link your PlayStation account to your Square Enix account, it'll automatically register the game. It's about time that we celebrated this community on Twitch! We're pleased to share that Twitch is now the destination for exclusive in-game items for the critically acclaimed MMORPG FINAL FANTASY XIV that has a free trial up to level 60 including the Heavensward expansion! Players around the world can earn in-game items by gifting subscriptions in FINAL FANTASY XIV Online creators' channels. The FFXIV free trial allows you to enjoy the entire game up to level 60 — 20 levels below the pre-Endwalker level cap — and play through the content in the base game, as well as the initial Heavensward expansion. Once that starting game time is up, you need to have a valid subscription or use a game time code in order to keep playing. There are two types of subscription available: With the Standard subscription (\$14.99 per month), you can make up to eight characters per world, and up to 40 characters in total. Once you gift at least four subscriptions, you will have received both rewards. Do I need to gift all four subscriptions to the same streamer? Not at all. I tried to redeem the code, but it didn't work. For any code redemption issues, please contact Square Enix Support NA or Square Enix Support EU. Under "Your Account," which should be the page that's open when you sign in. You will earn rewards according to the number of subscriptions you've gifted to the specified creators: For the first gift subscription, you will receive 100 Deluxe Heavenscracker Fireworks to celebrate with your favorite creators. Edit Preferences. So you've decided to join the trend and play Final Fantasy XIV for the first time. For whatever technical reasons, these games don't require a reinstall when you upgrade. An example of one account in MogStation, showing the various versions of FFXIV licensed. FFXIV has full crossplay and cross-save. But keep these pain points in mind and you'll be complaining about FATE grinds in no time. Follow along and you'll be in-game throwing out Cure and Fire spells in no time! The landing page for joining the Free Trial of FFXIV. If you're creating a new account, note that you will choose which platform you want to start your trial on here. Again. How long do I have to earn the rewards? The offer is open from June 24 at 11:00am PDT to August 24 at 11:00am PDT. If you choose this method, select "Add Game Time Card" and enter the code on the back of your card. During the FINAL FANTASY XIV Digital Fan Festival 2021, we made guesses on the new job together, audibly gasped at the new race announcement, and sang along to the best rendition of La Hee known to the realm. Please assist. Please wait up to 24 hours for the notification to appear in your inbox. See you in Eorzea, fellow Warriors of Light. This is where you'll handle your FFXIV account going forward. First, welcome to the community! Unfortunately, the process of actually signing up for the much-discussed FFXIV free trial or subscription is needlessly complex... That's why we're here to make the process a bit easier for you. First, you can only start the Free Trial on one platform. Log in to the FINAL FANTASY XIV: Mog Station with your Square Enix ID. You will need to gift subscriptions within the participating channels to receive the rewards. That means when you switch from the free to a paid version (for example, after reaching level 60) you need to delete the trial and install the "real" game. Your options are Windows PC, Mac, or PlayStation 4 / 5. The page you'll see once you've created your Free Trial account. Please see the FINAL FANTASY XIV Online Lodestone for more information. For more information on this campaign, please visit the FINAL FANTASY XIV Online Lodestone. The PC client is downloaded directly from Square Enix, while the PlayStation client can be picked up from the PlayStation Store.
